You've Done So Much

Dear Alex,

We want to thank you for everything you've done for us. I know it wasn't easy but you made it possible for us to get the house we wanted.

We hope you prosper in your career and be sure to know that we will refer to you our family and friends.

Thank you
for all your efforts.

A simple token of appreciation from both of us.

Thank you and keep up the good work!

Sincerely, Christian & Beth
